

Honoring, remembering and celebrating those who have fought against cancer.

Dear Friends:

This year just like in the past 17 since we started Celebrate Life Half Marathon, we learned of one more family stricken with a life-threatening disease that disrupted their lives. We learned of another self-employed mother who can't pay her bills. We heard of another young person who faces a scary fight in their future. We met the couple who, already financially strapped, can't make their mortgage. We talked to the older veteran who can't make it to his treatments because of lack of transportation or funds to mobilize.

There are so many sad stories. There is so much need.

This year more than ever the need is so great that our funds are depleted so early leaving us with many applications we cannot fulfill. We need your help.

Celebrate Life Half Marathon is 100% volunteer driven. There are no salaries, no administrative expenses. Every donation received is donated to a cancer patient in treatment and, at times, it's someone next door. That's what we've learned from cancer. It does not discriminate. It knows no gender, no race, no age and it can hit close to home.

We hope that once again you will help by making a donation.

Here are some suggestions, but we appreciate any donation of any amount you can make:

- \$125 - Website name listing.
- \$250 - Website name listing and awards poster
- \$500 - Website logo. Course Sign.
- \$800 - Website logo. Banner Feather Flag mile marker.

Will you join us? Thank you in advance for your generosity.

Sincerely, *Myriam Loor*
